# Installation Instructions

## JMC ROKKER 6.58 Fairing Speaker Upgrade 2024 Harley StreetGlide or RoadGlide

### Part# HD24-6582TW-XRP

- **Speaker Size:** 6.58" (in.) Diameter
- **Cone Construction:** Black Glass-Fiber
- **Tweeter:** PEI Dome High-Output
- **Frequency Response:** 35-26kHz
- **Sensitivity:** 91 db
- **Magnet Material:** Lightweight Neodymium
- **Impedance:** 2 Ohms
- **Maximum Power:** 300 Watts
- **RMS Power:** 175 Watts
- **Mounting Depth:** 2 1/4" (in.)
- **Quantity Per Package:** 2 Speakers - (1 pair)
- **Weather Resistant:** Yes
- **OEM Size Match:** Yes
- **Comparison Rating:** ROKKER speakers provide the most significant increase in volume, bass response and overall fidelity compared to stock Harley or Fosgate.

JMC's ROKKER XRP series 6.58" speakers are designed as exact size component/replacements for the stock 6.5" Harley fairing speakers as installed on the 2024 Harley StreetGlide or RoadGlide.

Spec'd at 2 ohms impedance and 300 watts maximum input (175w RMS - 91db sensitivity).

Lightweight waterproof one-piece woven-fiber driver cone with super-rigid metal basket design.

High-density lite-weight Neodymium magnet structure, specially coated to maintain flux-strength integrity even at extreme operating temperatures.

Integral high-output PEI dome tweeter.

Mounting hole pattern and spade electrical connections are exactly the same as the factory specification, this is a total plug-and-play no-modification solution complete with easy to follow installation instructions.

These are THE MOST efficient speakers you can buy for your Harley and they will perform extremely well when used by themselves or with a small to medium sized accessory amplifier.

- 
1. On the 2024 StreetGlide remove the single screw on each of the fairing speaker grills, located at the bottom of the grill. There are no speaker grill screws to remove on the 2024 RoadGlide.
  2. Pull out firmly by hand, both the left and right-side speaker grills, and set aside.
  3. Remove the speaker attachment screws and unplug the stock Harley speakers.
  4. Plug-in the new ROKKER speakers to the same wiring harness spade connectors, taking note that the spade connectors force-fit into the ROKKER speaker slots. (this keeps them from vibrating back out when on the highway)
  5. Properly align the small mounting hole at the bottom of each speaker to the protruded tip at the bottom of each speaker housing, before tightening the speaker mounting screws.

6. Be sure to test the speakers for proper operation before re-installing both left and right-side speaker grills.

**Thank you for the confidence you have shown in J&M Corporation by purchasing one of our innovative products.**

## WARRANTY AND REPAIR INFORMATION

**TWO YEAR LIMITED WARRANTY** In order to facilitate the servicing of this warranty, the Warranty Registration Form should be filled out and returned within 10 days of the date of purchase. However, return of the Warranty Registration Form is not a precondition of this warranty, and this Warranty will be observed by **J&M CORPORATION** whether or not the Warranty Registration Form is returned, on the condition that other satisfactory evidence of the date of the original purchase is provided to **J&M CORPORATION**.

**WHO PROVIDES THE WARRANTY?** This warranty is provided by **J&M CORPORATION**.

**WHO IS PROTECTED?** This warranty is extended only to the original owner of this J&M CORPORATION product and may not be transferred or assigned.

**WHAT IS COVERED AND HOW LONG?** This warranty covers all defects in material or workmanship of our product for a period of 2 years from date of original retail purchase. At its option, **J&M CORPORATION** will repair or replace any defective part(s) or equipment.

The provisions of the warranty shall not apply to any unit which has been subjected to misuse, neglect, incorrect mechanical or electrical installation, unauthorized modifications, accident, nor to units which have been repaired or altered outside of our factory.

**PROCEDURE FOR OBTAINING PERFORMANCE OF WARRANTY** In the event that the product does not conform to this warranty, the product should be shipped prepaid to the **J&M CORPORATION** service facility. Transportation charges, insurance fees, and labor costs for shipment, removal, or reinstallation of our product are not covered by this warranty. Loss or damage in shipment is the sole responsibility of the freight carrier.

**FOR YOUR INFORMATION** Repair as provided under this warranty is the exclusive remedy of the consumer. **J&M CORPORATION** shall not be liable for any incidental or consequential damages or for breach of any express or implied warranty on this product. Except to the extent prohibited by applicable law, any implied warranty of merchantability or fitness for a particular purpose on this product is limited in duration to the duration of the warranty. Some states do not allow the exclusion or limitation of incidental or consequential damages, or allow limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you. This warranty gives you specific legal rights which vary from state to state.

**J&M CORPORATION** reserves the right to make changes in design and to make improvements in its products without the obligation to incorporate the changes or improvements in any of its previously manufactured products.

**J&M CORPORATION** has not authorized anyone to make representations or warranties other than the warranty contained herein.

The above warranty is effective for all products manufactured after 10/01/86.

**NON-WARRANTY REPAIR RATES** **J&M CORPORATION** reserves the right to change the labor repair rates without prior notice. At the time of this printing the out-of-warranty repair is \$40 per hour for labor only. However, the customer is advised to verify the current rate when he/she calls customer service to obtain the return authorization number.
